

Outpatient rehabilitation program transitioning to AIM

Published: Jul 1, 2019

Effective October 1, 2019, Anthem Blue Cross (Anthem) will transition utilization management of our Outpatient Rehabilitation Program for Medicare Advantage from OrthoNet LLC to AIM Specialty Health® (AIM). AIM is a specialty health benefits company. The Outpatient Rehabilitation Program includes physical, occupational and speech therapy services. Anthem has an existing relationship with AIM in the administration of other programs. [Read the full article about the AIM transition.](#)
