

California Provider Communications

Provider Education seminars, webinars, workshops and more!

Published: Oct 1, 2018

Our Provider Network Education team offers quality complimentary educational programs and materials specially designed for our providers. For a complete listing of our workshops, seminars, webinars and job aids, log on to the Anthem Blue Cross website: www.anthem.com/ca. Scroll down the page to **Partners in Health** > Tools for Providers. In the middle of the page select the box **Find Resources for California**. From the **Answers@Anthem** page, select the link titled [Provider Education Seminars and Webinars](#) link.
