

## **Reimbursement policy update: Early and periodic screening, diagnostic and treatment (EPSDT)**

---

Published: Oct 1, 2019

### **Policy Update** **Child Health and Disability Program (CHDP)** *(Effective 11/30/19)*

Currently, the following component services are separately reimbursable from the preventive medicine evaluation and management (E&M) visit by Anthem Blue Cross (Anthem). However, effective November 30, 2019, Anthem will no longer reimburse the following services separately from the preventive medicine E&M visit:

- Audiometry screening
- Visual equivalent test

For additional information, please review the Child Health and Disability Program (CHDP) reimbursement policy at <https://mediproviders.anthem.com/ca>.
