## Streamlined access to Anthem Provider Manual

---

Published: Aug 1, 2019

We have launched a new page on our Provider website to access Provider Manuals. This page delivers a more streamlined and easier user experience to access both current and archived Manuals (if applicable), as well as the BlueCard Manual. The new page can be found at [anthem.com/provider](https://anthem.com/provider), then scroll down to 'Enjoy Easy Access to Policies and Guidelines.' Select 'See Policies and Guidelines'. On the Policies and Guidelines landing page, you'll find a link to the Provider Manuals page.
