

Anthem Streamlines Member ID Cards - Use Availity to Verify Members' Cost Shares and Benefits at Time of Service

Published: Dec 1, 2018

In the June edition of our Network Update provider newsletter, Anthem Blue Cross and Blue Shield announced the introduction of a streamlined member identification (ID) card coming July 1, 2018, to help reduce confusion about members' cost shares. The updated member ID cards maintain the current style, but **specific cost share information (such as copayments, deductibles and coinsurance) will be absent from cards.** In addition, there may be alpha-numeric prefix and other changes to members' ID cards, so please check members' ID cards carefully. The new simpler and easier to read ID cards are available to groups over time as they renew coverage with Anthem.

Use Availity and EDI to verify eligibility, members' cost shares and benefits at time of service. Since the cost share information will no longer display on many of our ID cards, we urge providers to access **Availity** (our secure Web-based provider tool) and the **EDI** (Electronic Data Interchange) to verify member benefits and eligibility to obtain the most up-to-date cost share information in order to collect the applicable deductibles and coinsurance amounts at the time of service as appropriate. If a member presents an older ID card with outdated benefits at the provider office, it can create confusion about the member's cost share.

As always, please request that a member enrolled in our health benefit plans present their most current ID cards at the time of service. When filing claims to Anthem, enter the member's ID numbers exactly as the numbers appear on the card, including the alpha-numeric prefix, to help speed claims processing and reimbursement.

As the streamlined ID cards are adopted over time, it will help reduce misunderstandings around cost shares since real-time information is readily available via Availity about members' benefits and cost shares. Additionally, members will be encouraged to learn more about their benefits through Anthem's digital and online tools. Members can retain their cards for as long as they remain in the same product plan, regardless of changes to cost share information.

Electronic ID cards

As a reminder, members can now view, download, email, and fax an electronic version of their member ID cards using the Anthem Anywhere mobile app. And because our electronic ID cards look just like our physical ID cards, members can show either an electronic or physical ID card when obtaining services. Anthem member ID cards are also available through [the Availity portal](#).

Missouri Provider Communications

For questions, contact the provider service number on the back of members' ID cards.

Please note, this notice does NOT apply to National Accounts, the Federal Employee Program® (FEP), Medicaid or Medicare plans.
