Visit [anthem.com/pharmacyinformation](https://www.anthem.com/pharmacyinformation) for more information on copayment/coinsurance requirements and their applicable drug classes, drug lists and changes, prior authorization criteria, procedures for generic substitution, therapeutic interchange, step therapy or other management methods subject to prescribing decisions, and any other requirements, restrictions, or limitations that apply to using certain drugs.

The commercial and marketplace drug lists are posted to the web site quarterly (the first of the month for January, April, July and October).

To locate “Marketplace, Select Formulary” and pharmacy information, scroll down to “Select Drug List.” This drug list is also reviewed and updated regularly as needed.

FEP Pharmacy updates and other pharmacy related information may be accessed at [www.fepblue.org](https://www.fepblue.org) > Pharmacy Benefits. AllianceRX Walgreens Prime is the specialty pharmacy program for the FEP. You can view the [2018 Specialty Drug List](#) or call us at 888-346-3731 for more information.
