

Nevada Provider Communications

Pharmacy information available on anthem.com

Published: Oct 1, 2019

For more information on copayment/coinsurance requirements and their applicable drug classes, drug lists and changes, prior authorization criteria, procedures for generic substitution, therapeutic interchange, step therapy or other management methods subject to prescribing decisions, and any other requirements, restrictions, or limitations that apply to using certain drugs, visit [anthem.com/pharmacyinformation](https://www.anthem.com/pharmacyinformation). The commercial drug list is posted to the web site quarterly (the first of the month for January, April, July and October).

FEP Pharmacy updates and other pharmacy related information may be accessed at www.fepblue.org Pharmacy Benefits.
