---

Published: Dec 1, 2018

We are pleased to announce that we are establishing a participating network of health care providers specializing in acupuncture services. The establishment of this network will enable our members to maximize their benefits when receiving services from certified or licensed acupuncturists who participate with us.

The projected effective date of our network of acupuncture providers will be January 1, 2019. If you are interested in becoming a participating provider, please contact your Provider Relations Representative or email us at [nh\\_pec\\_demo-sm@anthem.com](mailto:nh_pec_demo-sm@anthem.com). Please be sure to include your name, location and contact information and the appropriate Provider Relations Representative will outreach to you directly.
