HEDIS® 2018: provider incentive winners announced

Published: Oct 1, 2018

We have completed the HEDIS data collection for 2018 and want to thank all of our provider offices and their staff who assisted us. Your collaboration in this process allows us to strive for the best HEDIS results possible.

This is the 7th year for our incentive program to acknowledge some of our providers who either responded in a timely manner or went “Above & Beyond” to help make our HEDIS data collection successful. Any practices that responded within 5 business days of our initial request or who went out of their way by taking additional steps to help us with data collection were entered in a drawing to receive a gift. We are pleased to announce that our incentive winners are as follows:

HEDIS drawing winners

Crossroads Family Medicine, PLLC,
Angela Rossman, MD
Gregory Barban, MD
Caring for Women (Lakes Region GH)
Laconia Eye Associates P.A.

Winners Above and Beyond:

Duprey Consultants - Karen
Lamprey Health Care - Danielle and Terry
St Joe’s Pediatrics - Sharon

Our HEDIS results reflect the care you provide to our members. Now is the time to review your patient’s records to ensure that they have received their preventative care and/or immunizations before the end of the year.

An overview of our HEDIS rates will be published in the 4th quarter provider newsletter. In addition, more information on HEDIS can be found by visiting the provider portal at anthem.com/provider > scroll down and select ‘Find Resources for [state]’ > Health & Wellness > Quality Improvement and Standards > HEDIS Information.

Thanks again to all of our provider offices and their staff for assisting us in collecting HEDIS data. We look forward to working with you next HEDIS season!
