New APA testing codes and definitions effective January 1, 2019

Published: Jan 1, 2019

Effective January 1, 2019 The American Psychological Association (APA) has developed new testing codes and definitions. The former codes will be retired. For more information please visit the APA Practice Organization's [website](#). Questions can also be emailed to the APA's Office of Health Care Financing at ohcf@apa.org.
