## **New MediBlue Select HMO Network effective January 1, 2019**

---

Published: Dec 1, 2018

We are pleased to announce the formation of our MediBlue<sup>SM</sup> Select HMO provider network, which, beginning January 1, 2019, will support a specific line of Medicare Advantage products and programs focused on quality metrics and improvements. This plan is available in Hillsborough and Rockingham counties only. MediBlue Select HMO members will have Anthem MediBlue Select (HMO) in the upper right corner of their member ID cards.

MediBlue participating primary care physicians (PCPs), specialists and hospitals who participate in our Enhanced Personal Health Care Program will be designated as participating in this new provider network as will all other MediBlue participating ancillary providers and ancillary facilities. All questions may be directed to the Provider Call Center at 855 310-2473.
