Outpatient Rehabilitation Program transitioning to AIM

Published: Jul 1, 2019

Effective October 1, 2019, we will transition utilization management of our Outpatient Rehabilitation Program for Medicare Advantage from OrthoNet LLC to AIM Specialty Health® (AIM). AIM is a specialty health benefits company. The Outpatient Rehabilitation Program includes physical, occupational and speech therapy services. We have an existing relationship with AIM in the administration of other programs. [Learn more about the transition to AIM here.](#)
