

## **Anthem transitions MA back pain management and cardiology UM programs from OrthoNet to AIM**

---

Published: Sep 28, 2018

Effective January 1, 2019, Anthem will transition its Medicare back pain management and cardiology programs from OrthoNet LLC to AIM Specialty Health® (AIM), a specialty health benefits company. Anthem has an existing relationship with AIM in the administration of other medical management programs. Additional information will be available at Important Medicare Advantage Updates at [anthem.com/medicareprovider](https://www.anthem.com/medicareprovider).
