

HEDIS 2019 Federal Employee Program® medical record request requirements

Published: Feb 1, 2019

Centaury Health Solutions is the contracted vendor to gather member medical records on behalf of the Blue Cross and Blue Shield Federal Employee Program. We value the relationship with our providers, and ask that you respond to the requests in support of risk adjustment, HEDIS and other government required activities within the requested timeframe. Centaury Health will work with you to obtain records via fax, mail, remote electronic medical record (EMR) access, or onsite scanning/EMR download (as necessary). We ask that you please promptly comply within **five (5) business days** of the record requests. If you have any questions, please contact Catherine Carmichael with Blue Cross Blue Shield Federal Employee Program at (202) 942-1173 or Carol Oravec with Centaury at (440) 793-7727.
