As part of our commitment to provide you with the latest clinical information, we have posted a VBAC shared decision making aid to our provider portal. This is a tool for you to discuss with your patients to aid in making a decision regarding their treatment options. This has been reviewed and certified by the Washington Health Care Authority (HCA) and is available on our website. To access the aid, go to [anthem.com](http://anthem.com) and select *Provider* > select *your state* > choose *Find Resources in your state* > then select *Health & Wellness* > *Practice Guidelines* > then **Shared Decision Making Aid**.
