

When and how to initiate Medicare Advantage reopenings

Published: Dec 1, 2018

When a claim must be corrected beyond the initial claim timely filing limit of one year from the **date of service**, a normal adjustment bill is not allowed. Providers must use the reopening process to correct the error. To learn when and how to initiate reopenings and adjustments, check [Important Medicare Advantage Updates](#) at [anthem.com/medicareprovider](https://www.anthem.com/medicareprovider)
