Receive email notifications via our Network eUPDATE

Published: May 1, 2019

Our provider newsletter is our primary source for providing important information to health care providers and professionals. The newsletter is published monthly and is posted to our website on the Virginia provider section of anthem.com for easy 24/7 access.

Note that in addition to this newsletter and our website, we also use our email service – Network eUPDATE – to communicate new information. If you are not yet signed up to receive Network eUPDATES, we encourage you to enroll now so you’ll be sure to receive all information we will be sending about billing, upcoming changes, coverage guidelines and other pertinent topics.

Reminder notifications sent via email

When you sign up, you’ll not only receive an email reminder for each newsletter posted online, you’ll also be notified of other late breaking news and important information you’ll need when providing services and filing claims for our members. It’s easy to sign up – just select Virginia and access the provider home page. There, you’ll find a link to register for our [Network eUPDATE](#).
