Update: 2019 risk adjustment provider trainings

Published: Oct 1, 2019

Category: Medicare

The Medicare Risk Adjustment Regulatory Compliance team at Anthem Blue Cross and Blue Shield offers two provider training programs regarding Medicare risk adjustment guidelines. Information for each training is outlined below. The Medicare Risk Adjustment Regulatory Compliance team developed the following two provider trainings. This update outlines the training series:

Medicare risk adjustment and documentation guidance (general)

When — offered the first Wednesday of each month from December 5, 2018, to November 6, 2019 at 1 to 2 p.m. Eastern time

Learning objective — This training will provide an overview of Medicare Risk Adjustment, including the Risk Adjustment Factor and the Hierarchical Condition Category (HCC) Model, with guidance on medical record documentation and coding.

Credit — This activity has been reviewed and is acceptable for up to one prescribed credit by the American Academy of Family Physicians.

If you are interested in joining us to learn how providers play a critical role in facilitating the risk adjustment process, register for one of the monthly training sessions at the link below: <https://antheminc.adobeconnect.com/admin/show-event-catalog?folder-id=38826374>.

Medicare risk adjustment, documentation and coding guidance (condition specific)

When — offered on the fourth Wednesday of every other month from January 23, 2019 to November 27, 2019 from noon to 1 p.m. Eastern time

Learning objective — This is a collaborative learning event with Enhanced Personal Health Care (EPHC) to provide in-depth disease information pertaining to specific conditions including an overview of their corresponding hierarchical condition categories (HCC), with guidance on documentation and coding.

Credit — This live series activity has been reviewed and is acceptable for credit by the American Academy of Family Physicians.
